

Marshfield United Soccer Club Membership & Payment Policy

Membership

1. A Member of the Marshfield United Soccer Club is:
 - A child whose parents have signed a club membership form and agreed to the program costs.
 - Parents or guardians of children who are members.

Playing for Marshfield United

1. Only members of the club can play for Marshfield United.
2. Attendance will be taken for all club events.
3. If a child fails to attend club events regularly then a meeting will be set up between the coach and parents to discuss further actions by the club. This is because regular non-attendance may unfairly hinder other children's experience in the club.

Payments

1. Player costs can be paid in one payment or by payment installments,

spread out through the first half of the soccer season. This installment option was introduced as a courtesy to accommodate families who may find it difficult to pay the full registration up front. However, it is crucial to emphasize that this policy is a courtesy and not a pay as you go option. In the spirit of fairness to all participants and to maintain sustainability to our club, we are unable to issue refunds once the registration fee has been paid or cancel the installments.

2. Members are contractually obliged to pay the season player costs. Thus, if paying by monthly installments, **all payments** must be paid irrespective of whether a child stays at the club.
3. The parents of any child leaving the club must give notice of this in writing to a club director. Such notice must be accompanied by the payment of all remaining season payments. Any child leaving mid- season will **not** be able to return.
4. In the case of financial hardship, we would ask parents to contact us immediately and complete the financial aid form. We are committed to ensuring that no child is left out due to financial hardship.
